

## Towards a Common Approach to Ethics Assessment in European Research and Innovation

*A SATORI follow-up project to continue mobilization and mutual learning*

---

### Letter of Support

---

By undersigning this letter the undersigned declares support

- in a personal capacity
- in the capacity of representative of the project \_\_\_\_\_
- in the capacity of organizational representative of \_\_\_\_\_

for the pursuit of enhanced coordination and collaboration between organizations with a stake in ethics assessment of European research and innovation and call for

- stakeholders to join efforts to achieve such enhanced coordination and collaboration
- pilot implementations of the SATORI framework and standards to be carried out by organizations investing in and carrying out research and innovation
- the European Commission to open up dialogues about possibly revising the ethics assessment system of the Framework Programme for Research and Innovation, in part with reference to the SATORI recommendations
- the establishment of a temporary secretariat to coordinate these efforts.

In support of these aims the undersigned furthermore declares a commitment to

- disseminate the major results of the SATORI project
- participate in annual knowledge exchange events to coordinate developments in the field
- take stock of the major SATORI results and submit evaluations of their usefulness

- recommend to member organizations that these organizations carry out pilot implementations of the major SATORI results and submit evaluations of their usefulness
- engage actively in the CWA revision process if and when such a process is initiated by CEN
- engage actively in dialogues about the implementation of the major SATORI results in the ethics assessment approach of the European Commission's Framework Programme for Research and Innovation
- other

The undersigned furthermore wishes to elaborate that:
